

THE DIVING

Hotel Cozumel & Resort sits on a prime stretch of beachfront just 1.25 miles from shopping and entertainment in downtown San Miguel de Cozumel. The area is rich in both natural beauty and history, with one of the world's largest coral reefs a five-minute boat ride away and the Mayan ruins of San Gervasio 6.75 miles away.

Conveniences for divers include; rinse tanks, hangers to drain diving gear, fresh water showers, 150 lockers to keep diving computer/gear safe, and a private pier. We'll be diving with Dive Paradise, a PADI full Service Center with the biggest and most reliable operation in Cozumel since 1984. Hotel Cozumel has the largest pool on the island, a beautiful waterfront area, good food, nightly entertainment and a kids club.
